## Bird, Bee and Bug Houses

Homes and Habitats for Garden Wildlife

Written by Susie Behar

Perfect for young naturalists, this beautifully illustrated, accessible book is packed with practical activities and information about the wildlife found in our gardens and beyond. The content is designed to inspire a curiosity encourages children to have a go and do their bit in supporting and protecting creatures both big and small. From building nest boxes and beetle banks to bee homes and butterfly feeders, children will also learn why supporting our backyard creatures is so important to the success of local ecosystems and the biodiversity of the world.
