An amazing collection of fanciful superstitions, intriguing takes and amusing anecdotes, which any plant or animal lover will truly relish.

### Flower Garden Secrets

The Hidden Wonders of the World of Flowers Revealed

Whether edible or medicinal, deemed lucky or unlucky, and whether native to Britain or brought from lands afar to be bred in a huge number of varieties, every flower chosen for inclusion here will bring the joy of knowledge to the plant lovers, from the favourites of Shakespeare, Van Gogh and William Morris to the flowers that symbolize everything from nations to the deepest emotions. While this is not a practical gardening book it includes for gardeners a selection of less well-known tips for successful growing.
