A Greek friend

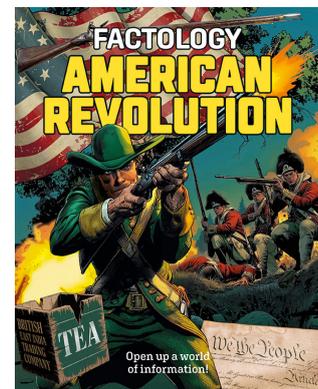

My name is Petros. I am 9 years old and I live with my family in the city of Athens in the year 440 BCE. My father is an architect, and he is helping to build a magnificent new temple high up on the Acropolis, overlooking the city. Come with me and let me show you how I live. You can visit my school, hear a story about one of our famous Greek heroes, and join me on a trip to watch the Olympic Games – the greatest show in all of Hellas!
